INSTRUCTIONS

Decorate your delicious party drinks with these party straw decorations!

YOU WILL NEED
- Scissors
- Paper straws
- Sticky tape
- Card
- Glue

☐ Choose a design to go on your straw from the templates on sheet 2. Print and cut out your design using scissors - be careful!

☐ Using some glue, stick your cut-out onto the card and cut around it again. This will make is extra strong!

☐ Stick your character to the straw using a small piece of sticky tape. Don’t stick too close to the top so you can still sip your drink.

☐ Pop the straw in your drink and you’re done!

☐ Repeat this process as many times as you need to decorate all your drinks

PLEASE REMEMBER TO RECYCLE ALL OF YOUR MATERIALS AND CRAFTS WHEN YOU FINISH WITH THEM.
INSTRUCTIONS

Decorate your delicious party cupcakes with these celebratory cake decorations!

YOU WILL NEED
- Scissors
- Cocktail sticks
- Sticky tape
- Card
- Glue

☐ Choose a design to go on top of your cakes from the templates on sheet 2. Print and cut out your design using scissors - be careful!

☐ Using some glue, stick your cut-out onto the card and cut around it again. This will make it extra strong!

☐ Stick your character to the top of a cocktail stick (with the pointy end facing down) using a small piece of sticky tape.

☐ Stick the pointy end of the stick into the top of your decorated cake and you’re done! (Make sure to take out the stick before you eat the cake!)

☐ Repeat this process as many times as you need to decorate all your cakes. (You could even mix and match the designs!)

**INSTRUCTIONS**

**STEP 1:**
Lay napkin out flat in a diamond shape and fold over to create a triangle shape.

**STEP 2:**
Fold one corner over into the middle of the triangle you’ve just created.

**YOU WILL NEED:**

A NAPKIN
preferably orange to match Wallace & Gromit’s rocket! However, any colour will work.

PLEASE REMEMBER TO RECYCLE ALL OF YOUR MATERIALS AND CRAFTS WHEN YOU FINISH WITH THEM.
**STEP 3:**
Fold the corner you've just folded back over on itself so it sticks out.

**STEP 4:**
Repeat step 2 on the other side of the napkin.
**STEP 5:**
Repeat step 3 on the other side of the napkin.

**STEP 6:**
You now have a rocket shape! Flip the napkin over so you can’t see the fold lines.
THERE YOU HAVE IT, YOUR VERY OWN ROCKET NAPKIN!
