INSTRUCTIONS
You can become Gromit by making and wearing your very own pair of Gromit ears.

STEP 1
Print out a template for each person and cut out the pieces along the dotted lines. Be careful when using sharp scissors. Ask an adult for help.

STEP 2
Tape the ears to the black band along one side edge, and stick on the ears.

STEP 3
Before taping the other side edge to form a circle, hold the crown to your head to measure how big it needs to be. Then tape it into place. Adults – you may need to use the second band to make it fit.

STEP 4
Put the crown on your head and do your best Gromit impression.
